About Us

Established in **2012** in Surat, Gujarat, we are a leading manufacturer of two-wheeler seat covers and rexine. With **14+ years** of experience, we have built a strong presence across India through quality, innovation, and customer satisfaction.

Guided by our vision, "**Leather For Every Weather,**" we offer stylish, durable, and affordable products in a wide range of designs, colors, and patterns to suit every season and market need.

Our Vision

At the heart of everything, we set out to offer the best quality. We want to be a trusted brand of Seat Covers and Rexine industry in all over India as well as in international market.

Core Values

Quality

We never compromise excellence comes first.

Innovation

Continuous product development to stay ahead.

Honesty

Transparent dealings build lasting trust.

Commitment

We deliver exactly what we promise.
